PROFESSIONAL SUMMARY

Junior Software Developer with hands-on experience in building web applications using HTML, CSS, JavaScript, and backend technologies like ASP.NET (VB) and PHP. Proficient in programming languages such as Python, C, and C#, with strong database skills in MySQL and SQL Server. Strong foundation in Computer networks, operating systems (Windows/Linux), and basic hardware.

SKILLS

TECHNICAL SKILLS

Languages: Python, C, PHP
Frontend: HTML5, CSS3, JavaScript
Backend: ASP.NET (VB), PHP
Tools: Git, GitHub, Visual Studio, VS Code
Databases: MySQL, SQL Server
Productivity: MS Office Suite (Word, Excel, PowerPoint, Outlook)
Hardware: PC Assembly, RAM/SSD/HDD Upgrades
Platform: Windows, Linux
Designing: Blender 3D, Adobe Photoshop

PROJECT EXPERIENCE

Employee Management Web Application (July 2025)

- Technologies used : VB.NET, ASP.NET Web Form, SQL Server, HTML, CSS, JavaScript.
- Designed and developed a Web Application for employee registration, login, data viewing, and account deletion.
- Enabled new user registration with server-side form validation and integration with a SQL Server database.
- Allowed employees to view personal data and delete their account securely after authentication.
- Implemented secure login using session management and parameterized SQL queries to prevent SQL injection.

Blogger Web Application (May 2025)

- Technologies used : HTML, CSS, JavaScript, Bootstrap
- Built a fully functional blogging webpage for adding news, memories with create, delete options
- Implemented DOM-based interactivity to manage blog content dynamically without refreshing the page.
- Applied responsive design principles to ensure cross-device compatibility.

Bus Ticket Booking Webpage (December 2024)

- Frontend Development Project | HTML, CSS, JavaScript
- Developed a responsive and user-friendly bus ticket booking webpage using HTML, CSS, and JavaScript.
- Implemented dynamic seat selection and form validation using JavaScript.
- Excluded login and signup features to reduce booking time by 20% and enhance user convenience.

CERTIFICATIONS

- Python (Basic) – HackerRank (June 2025)
- C Programming for College Students – Udemy, July 2025
- SQL Mastery with MySQL – Learnz Development Hub (June 2025)

EDUCATION

B.Sc. in Information Technology	July 2022 – May 2025
Bharathidasan College of Arts and Science, Erode	Percentage: 76%
Higher Secondary Certificate (HSC)	June 2021 – May 2022
Amala Matric Higher Secondary School, Gobichettipalayam	Percentage: 58%
SSLC (Secondary School Leaving Certificate)	June 2019 – May 2020
Amala High School, Gobichettipalayam	Percentage: 75%
